

## Sage Partner Summit Code of Conduct

Event dates: May 25-27, 2021

## Code of Conduct

### Importance

Sage is dedicated to providing a harassment-free experience for attendees across all our events. We firmly believe in the value and importance of an environment where all members of the Sage Partner Summit community feel welcome and safe. The purpose of the Sage Partner Summit event and related social media content is to provide access to education, tools, and conversations that help partners build their businesses with Sage. This Code of Conduct explains the behavior we expect from all attendees interacting at Sage Partner Summit and across Sage social media platforms.

We expect all Sage Partner Summit attendees (including but not limited to Sage colleagues, partners, vendors, sponsors, speakers, and event staff) to uphold the principles of this Code of Conduct. In the context of this event, this Code of Conduct covers the main event and all related events (social or otherwise). Sage colleagues must continue to always follow company policies.

The Code of Conduct may be revised at any time by Sage and the terms are non-negotiable. Your registration or attendance at Sage Partner Summit indicates your agreement to abide by this policy and its terms.

### Behavior

First and foremost, always adhere to the [Sage Partner Code of Conduct](#). This Code is designed to clearly set out the minimum standards of behavior Sage expects from partners before, during, and after the event. Sage expects partners to meet all requirements within the Code.

As a registered attendee of Sage Partner Summit, you agree that:

1. You will behave in a way that supports a safe and supportive environment for all event attendees and across Sage social media platforms.
2. You will not engage in disruptive speech or behavior, or otherwise interfere with other attendees' event experience, at the event and across Sage social media platforms.
3. You will not interfere with the operation of the event or Sage social media platforms.
