

sage Partner Summit

Dear Sage partner,

Earlier this year we hosted Sage Partner Summit 2020, our annual gathering of more than 1000 medium segment partners, sponsors, and colleagues from around the world in Orlando, Florida, USA.

It was an incredible enablement event that empowered partners to learn, connect, and transform. The event also served as a significant milestone in that for the first time, we brought Sage Intacct, Sage People, and Sage X3 partners together for in-depth learning, product training, and meaningful networking. If you missed it, head over to the [Partner Marketing Hub](#) to view the event's top content.

Sage Partner Summit 2021

We are pleased to share that we will host Sage Partner Summit again in 2021 – either in person, or virtually. The event will be extended to the full medium segment partner community representing Sage Intacct, Sage People, Sage X3 as well as our BMS solutions.

Sage Partner Summit is scheduled for May 25-27, 2021. [Please save the date.](#)
