## Sage Sessions X3

### Health Pass by CLEAR

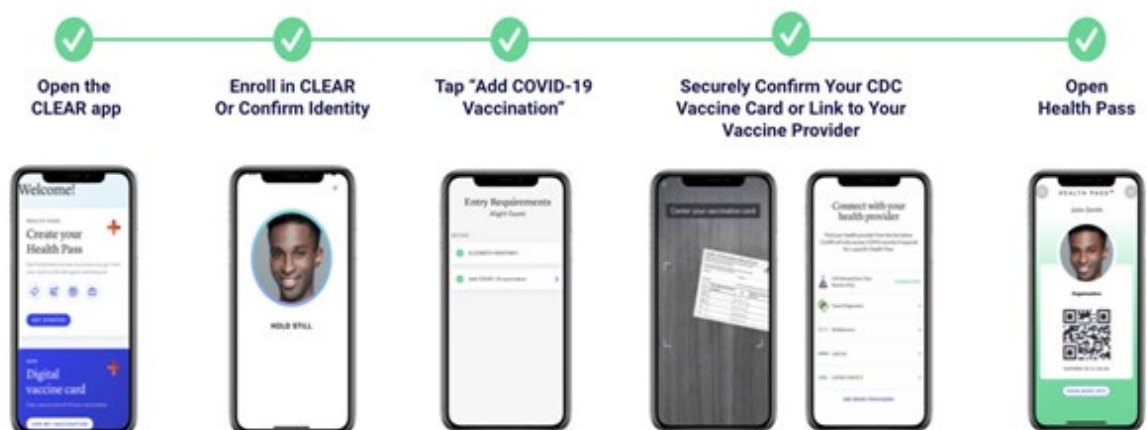

We are partnering with Health Pass by CLEAR to provide a secure, digital way to validate COVID-19 health screenings using the free CLEAR mobile app.

After a quick one-time enrollment, you'll follow instructions to comply with health requirements for Sage Sessions which could include uploading a proof of vaccination or linking a negative COVID-19 test.

Attendees can securely access and verify their COVID-19-related health information using Health Pass by CLEAR prior to the event. Your health information will not be shared with Sage.

### What to do before you arrive - from November 12 – 14

1. Download the free CLEAR app Apple App Store or the Android App Store
2. Select 'Get started' under 'Create Your Health Pass'
3. Click 'Have a code?'
4. Enter **EFATTENDEE22** as the unique code for Sage Sessions.
5. New members will be guided through enrollment steps and existing members can use the email associated with their CLEAR membership.
6. Verify your identity by taking a selfie
7. Complete your Entry Requirements by adding your full vaccination record or linking to test results. Please note once your vaccination or test results are uploaded in the app, it can take up to 30 minutes for your status to be verified. Please complete this process at least 24 hours in advance of your arrival at the event.

### Questions?

Please see the [CLEAR FAQ](#) for additional information and guidance.
