

Sage Sessions X3 Frequently asked questions

What is Sage Sessions X3?

Sage Sessions X3 is a valuable event experience scheduled for November 15-17, 2021, in Orlando, Florida. The event is designed to bring the Sage X3 community together for the insights, education, and inspiration needed to build their businesses with Sage.

What is the status of the Sage Sessions event?

Sage Sessions is still planned for November 15-17, 2021, in Orlando, Florida for Sage X3 customers and partners. The event originally included Sage Construction and Real Estate (CRE) customers and partners, but after careful consideration and feedback, we have decided to postpone the Sage Sessions experience for the CRE audience.

This decision will help ensure we can bring the entire Sage CRE community together for valuable content and networking opportunities at a time that suits our CRE partners and customers. A new, digital experience will be offered to Sage CRE customers and partners. Details on the event, Sage Sessions Online Construction and Real Estate, will be coming soon.

We will, however, still be hosting an **exclusive Sage X3 event with a new name – Sage Sessions X3**. The dates and location remain unchanged for X3 customers and partners.

Sage CRE customers and partners that were registered for the Sage Sessions live event or digital experience will receive a communication that fully outlines their next steps. If you have any questions, please email us at SageSessionsinfo@Sage.com.
