### Coffee Break – 10:30 AM – 10:45 AM – Grand Hall and Centennial Foyer

Track	Times	Rooms	Title	Description
Small Business	10:45 am – 11:30 am	Regency V	Sage 50cloud with MS Office 365 (CPE Eligible)	Discover how Sage 50c and Microsoft Office 365 can give you a day back every month by bringing you the flexibility and freedom of cloud and mobile access, without the disruption of losing the familiarity of the desktop solution you know and love.
Small Business	10:45 am – 11:30 am	Regency VI	The threats are real – protect your business from fraud and non-compliance	How much money can your business afford to lose due to fraudulent activity and non-compliance? Small losses can have huge impacts on businesses of all sizes. Discover gaps that may exist in your business' approach to fraud prevention and compliance – and learn about products, services, and tools available through Sage Checks and Forms that are designed to help you protect against various forms of financial loss.
Medium Business	10:45 am – 11:30 am	Regency VII	Sage 300cloud Tips and Tricks (CPE Eligible)	Sage 300cloud has exciting features and functionality. For even the most tenured user, there's always more to learn and ways to decrease redundancy and over-orchestrated workflows. Join this tips and tricks session to learn handy shortcuts and productivity tools that will help you get the most out of your investment in Sage 300.
Medium Business	10:45 am – 11:30 am	Hanover AB	Tips & Tricks for Sage 100: Manufacturing (CPE Eligible)	Extract more value from Sage 100 and Sage 100cloud with advanced training in manufacturing-specific features and applications. In this session, discrete manufacturers and fabricators will deepen their knowledge of Bill of Material and learn industry specific customization techniques using Custom Office. Also dive deep into how Sage Production Management can help businesses to track costs, optimize inventory, and monitor production statuses.
Partner/ISV	10:45 am – 11:30 am	Hanover C	The Changing Tax Landscape for Selling Out of State – Avalara	In SD v. Wayfair, Inc., the Supreme Court ruled in favor of South Dakota, granting the state authority to impose sales tax obligations on out-of-state transactions. Afterwards, other states started changing their laws too. What does that mean for remote sellers? Come hear our panel of experts discuss the changes.
Industry Knowledge	10:45 am – 11:30 am	Hanover DE	The Future Ready Finance & Accounting Professional - The Future is Now! (Part 1) (CPE Eligible)	Recent research in the Profession says that the business environment for CPAs and accounting professionals will be characterized by “unprecedented, massive and highly accelerated change” through 2025. To thrive in this new era of hyper-change and growing uncertainty, it is now imperative to learn a new competency - how to accurately anticipate the future. This session will show how to understand and anticipate trends and use them to find new opportunities for your firm and your clients. You will learn how to move from being a crisis manager to an opportunity manager and see farther into the future than your competition.  Learn about the latest trends facing accounting and finance professionals. Identify strategies you can use to anticipate marketplace trends and develop opportunities. Apply the concepts of being Future Ready - Aware, Predict, Adapt to your organization and your career.

Small Business	11:45 am – 12:30 pm	Regency V	Sage 50cloud the Road Ahead (CPE Eligible)	In this Sage 50cloud roadmap session, you get a closer look at the new features and functionality that will improve the way you and your clients work together, including: Outlook Connector, Automatic Cloud Back-ups, Cloud document storage, Sage Drive and more.
Small Business	11:45 am – 12:30 pm	Regency VI	Driving Success: Using Effective Strategy, Goal Management and Coaching to Boost Employee Engagement (CPE Eligible)	There is a direct and measurable relationship between employee engagement and an organization's success. Employees who know that they are working toward goals that drive business outcomes, as well as their own goals for professional growth and learning, develop ownership in the organization's success, which boosts employee engagement. This session will connect the dots from organizational goals to job descriptions to individual goals, will show the different goal types and measures, and will demonstrate how ongoing coaching and feedback lead to a more effective performance review process. This session will: <ul style="list-style-type: none"> <li>Show the impact of employee engagement on the bottom line (i.e., revenue) of an organization.</li> <li>Help you help your managers improve how they coach so employees can achieve their goals.</li> <li>Highlight how performance reviews are changing into ongoing performance management and coaching.</li> </ul>
Medium Business	11:45 am – 12:30 pm	Regency VII	Proven, Open, Connected: A cloud-connected vision and the road ahead for Sage 100cloud (CPE Eligible)	Sage 100cloud is a time-tested and feature-rich solution that is helping mid-sized service, manufacturing, and distribution businesses to succeed. Join us for a conversation about how the product roadmap for Sage 100cloud is driven by a long-term vision that places value, change management, and openness at the center of its approach. Learn about how we are innovating through the development of key enhancements designed to optimize business processes at scale.
Medium Business	11:45 am – 12:30 pm	Hanover AB	Become a 'Data Driven Organization' With Sage Alerts and Workflow	Do you have delinquent customers, backorders due to stock shortages, or POs awaiting approval? Learn about a solution that helps you become more 'data-driven' – enabling you to avoid surprises in your business and anticipate and automate (rather than be surprised and react to) changing conditions in your daily business activities.
Partner/ISV	11:45 am – 12:30 pm	Hanover C	The Connected Warehouse and Production Floor – Scanco	Most companies report that their supply chains are becoming increasingly more complex — which isn't all that surprising given that they are contending with widely dispersed manufacturing, warehouse, procurement, and sales activities, along with more and more global and outsourcing issues. During this session learn practical means to curtail this complexity costs and the inefficiencies that go along with it.
Industry Knowledge	11:45 am – 12:30 pm	Hanover DE	The Future Ready Finance & Accounting Professional - Application Workshop (Part 2) (CPE eligible)	The key to being Future Ready involves the right mindset, skillset, and toolset. This interactive workshop will build on Part 1 - The Future Ready Finance & Accounting Professional and focus on applying the Future Ready framework to transform your firm and clients. You will learn about developing a vision for the future, creating a winning culture and developing a learning and development strategy for yourself and your team that will make your firm Future Ready. <ul style="list-style-type: none"> <li>Learn the difference between change and transformation.</li> <li>Use the future ready framework to predict the major changes facing your firm and clients.</li> <li>Understand the research and attributes of a winning culture and apply them to your firm.</li> <li>Apply the latest research on skills to develop a strategy for the development of your people.</li> <li>Create an action plan to create the firm of the future.</li> </ul>

### Lunch and Product Showcase – Grand Hall West – 12:30 pm – 1:30 pm

Small Business	1:45 pm – 2:30 pm	Regency V	Sage 50cloud: Productivity Boosters (CPE eligible)	Whether a novice or expert, you may be ready to learn more about in-depth processing efficiencies that will help boost your productivity. This session is focused on data protection and maintenance, reporting, auditing, ways to streamline navigation and workflow, and more! Join us to explore these opportunities for your business!
Small Business	1:45 pm – 2:30 pm	Regency VI	Keys to Business Success: Customer Relationship Management (CPE eligible)	See how other Sage customers use CRM to manage their business activities from lead generation to servicing customers. In this session, learn how your accounting system, connected to the Sage CRM as part of Sage 100cloud, helps your business access customer information anytime – and how to maximize these benefits across business units including marketing, sales and customer service.
Medium Business	1:45 pm – 2:30 pm	Regency VII	Sage Fixed Assets Overview (CPE eligible)	Release 2019.1 new features The Road Ahead
Medium Business	1:45 pm – 2:30 pm	Hanover AB	Myth busting Sage 100cloud: Everything you wanted to know (CPE eligible)	How much do you REALLY know about Sage 100cloud? Learn the key differences between Sage 100cloud and Sage 100, today and in the future. Find out about what the migration process looks like, and requirements for making the move. Join us for this engaging, interactive, and entertaining conversation!
Partner/ISV	1:45 pm – 2:30 pm	Hanover C	The Best Sage 100 B2B E-Commerce and CRM, Period. And Buying It Just Got Easier! - CIMCloud	Did you come to Sage Summit looking for solutions that will grow your revenue without breaking the bank? Join us to learn how CIMcloud can: <ul style="list-style-type: none"> <li>Leverage your Sage 100 data and our B2B portal to allow customers to manage and self-service their account online</li> <li>Give employees remote visibility to their customer's Sage 100 data through real-time reporting dashboards</li> <li>Oh... and you can enter for a chance to take home a pair of Apple AirPods ☑</li> </ul>
Industry Knowledge	1:45 pm – 2:30 pm	Hanover DE	Untangle your Supply Chain Connections with TrueCommerce	Learn how to untangle your supply chain connections and avoid the pitfalls of growing your business using multiple integrations, partners and applications. TrueCommerce will explain how to standardize and automate all of your customer and vendor connections including marketplaces, EDI, Ecommerce, PDF ordering and more with a single integrated connection to Sage 50, 100, 300, 500 or Enterprise Management. We will also review how to fulfill your customer orders with TrueCommerce's Pack & Ship, our network connected multi-carrier shipping solution.

# Sage Summit Atlanta

## Tuesday, May 14, 2019

Track	Times	Rooms	Title	Description
Small Business	2:45 pm – 3:30 pm	Regency V	Sage 50cloud and Sage Intelligence (CPE eligible)	BI, Power BI, Big Data is all the rage now-- but what if we could show you that you don't need a powerhouse accountant or some additional piece of software to analyze your data. Empower yourself with Sage Intelligence to make better business decisions, based on up-to-date information, on the go! In this session, you'll learn how to get a quick view of how your business is doing with a suite of ready-to-use online and Excel reports— which you can easily customize or drill down into as needed. Save time. Take control. Take action!
Small Business	2:45 pm – 3:30 pm	Regency VI	The Data-Driven Finance Leader with Sage Intacct (CPE eligible)	From big data and network effects to the subscription economy and cloud computing, modern finance is undergoing its most fundamental transformation ever. Today, it takes a data-driven finance leader – someone who understands and embraces the promise and power of technology – to navigate this exciting, uncertain future. Attend this session and hear how Sage Intacct customers became data-driven finance leaders that proactively drove strategy and improved operations. Key Learnings: 1. The technologies and skills you need to move to a digital, data-driven world 2. How to move from Finance 1.0 to Finance 2.0 and beyond 3. How to “Twitterize” your reporting and analytics 4. When you should automate and when you shouldn't
Medium Business	2:45 pm – 3:30 pm	Regency VII	Sage 100Cloud: Gain a deeper understanding of your business's data with Sage 100 Intelligence Reporting (CPE eligible)	Save time and gain control of your data with flexible, Excel-based reports that are ready to use with your information. In this session, you'll learn about the many standard reports available to you and how you can customize them to suit your business needs. You'll also discover how to use dashboards to visually represent and consume your business's data and to identify trends.
Medium Business	2:45 pm – 3:30 pm	Hanover AB	Everything eFiling with Aatrix	Learn how eFiling saves you Time & Money! eFile W2s, 1099s, 940/941's plus Unemployment, Wage Withholding, New Hire Reports & Payments for all 50 states seamlessly from your Payroll Software.
Partner/ISV	2:45 pm – 3:30 pm	Hanover C	The Changing Tax Landscape for Selling Out of State – Avalara	In SD v. Wayfair, Inc., the Supreme Court ruled in favor of South Dakota, granting the state authority to impose sales tax obligations on out-of-state transactions. Afterwards, other states started changing their laws too. What does that mean for remote sellers? Come hear our panel of experts discuss the changes.
Partner/ISV	2:45 pm – 3:30 pm	Hanover FG	Excellent Partner and Customer End-to-End Experience Leveraging deep integrations and vertically-tailored solutions to help Paya's Partners grow their business.	Record levels of investment in new products, boarding and portal solutions, infrastructure and support to provide excellent service to you and your clients.
Industry Knowledge	2:45 pm – 3:30 pm	Hanover DE	Why Put a Canary in a Coal Mine? - Measure what matters (CPE eligible)	This session is dedicated to the possibility that a firm can increase their financial performance by changing to measurements used from inwardly facing to measurements that look outside the firm. Changing these metrics is not easy as it requires firms to think differently than they have in the past. If you believe you can think a bit differently about your firm's measurement systems, you are invited to attend this conversational session facilitated by Ed Kless, Sage senior director of partner development and strategy.
Small Business	3:45 pm – 4:30 pm	Regency V	Sage 50cloud Customer Listens	Let's talk about it! Join the Customer Listens session-- now it's time for you to talk to us. The of Sage 50 team members and Microsoft are here to answer your questions, listen to the enhancements you would like to see and brainstorm on what we can do better at! So come on let's sit down and chat a minute!
Small Business	3:45 pm – 4:30 pm	Regency VI	5 Ways Sage People Can Improve Your Bottom Line (CPE Eligible)	Discover how Sage's award-winning global HR system, Sage People, enables managers and leaders to better engage their people by creating great work experiences resulting in increased productivity and higher retention. Sage People helps companies revolutionize the way they work while lowering costs in 5 significant ways. By providing better workforce visibility and analytics, more efficient management of people processes, seamless integration with payroll, and easily accessed employee data, Sage People provides overall savings of time, labor, and capital, with a return on investment of 62%!
Medium Business	3:45 pm – 4:30 pm	Regency VII	Tips & Tricks for Sage 100: Distribution & Inventory Management (CPE Eligible)	Refresh your understanding and gain new skill in the use of distribution and inventory management features in Sage 100. In addition to providing a practical overview of product features designed for distributors, attendees will learn high impact strategies for using data to optimize inventory while assuring industry-specific compliance. Specific attention will be paid to the Sage 100 Inventory module, Custom Office, Custom Scripting, and Sage Inventory Advisor Basics.
Medium Business	3:45 pm – 4:30 pm	Hanover C	Sage Manufacturing: The Connected Warehouse and Production Floor	Most companies report that their supply chains are becoming increasingly more complex — which isn't all that surprising given that they are contending with widely dispersed manufacturing, warehouse, procurement, and sales activities, along with more and more global and outsourcing issues. During this session learn practical means to curtail this complexity costs and the inefficiencies that go along with it.
Partner/ISV	3:45 pm – 4:30 pm	Hanover FG	One Solution for AP Automation AND Beyond with DocLink – Altec	Everyone has an AP document management problem, but why buy a solution that only solves that one issue? Achieve success by taking everything digital for any department in your company! Learn how DocLink customers have achieved significant time/cost savings by going paperless in AP, AR, HR, Legal, IT and beyond.
Partner/ISV	3:45 pm – 4:30 pm	Hanover AB	Top User Requested Add-On: AP Automation	Sage AP Automation makes accounts payable simple and delightful. We empower accounting teams to succeed by improving visibility, eliminating data entry and streamlining manual processes. Automate your entire AP workflow in the cloud, from PO to payment.
Industry Knowledge	3:45 pm – 4:30 pm	Hanover DE	Healing Leadership (CPE Eligible)	This session is dedicated to the possibility that the majority of leadership thinking is wrong as it is ultimate based on manipulation - trying to “get someone to do something.” Coming to terms with this idea is difficult and not for everyone because it requires us to examine some of our most deeply held beliefs and either dismiss them or at least think differently about them. If you are interested in having a conversation about healing leadership, you are invited to attend this session facilitated by Ed Kless, Sage senior director of partner development and strategy. This material is based on the work of Howard Hansen and Steve Geske, who have presented at previous Sage Summits.
